Maritime
Issues

We are pleased to announce the official launch of our website!

After months hard work and dedication, [maritimeissues.com](http://www.maritimeissues.com) was officially launched on November 14th 2016. The launch took place at the 8th South China Sea International Conference organized by the Diplomatic Academy of Vietnam (DAV), the Foundation for East Sea Studies (FESS) and the Vietnam Lawyers' Association (VLA).

We hope you find our website a venue for policy practitioners, strategic thinkers, analysts as well as thoughtful stakeholders to engage in candid and forward-looking discussions on the pressing maritime issues around the globe.
