The Marine Track track of Vessel WANG111111 (MMSI 574811111)

Maritime

Issues

This is the track of the movement of the Vessel WANG111111 (MMSI 574811111), carrying Vietnamese designation AIS signals, but suspected as a Chinese ship.

Though carrying Vietnamese designation AIS signals, *WANG111111* never arrived any Vietnamese port over the last year. The below tracking shows this vessel always came back to the Yangpu port, Hainan Island, China.
